ABOUT THE 61st INTERNATIONAL YOUNG LAWYERS' CONGRESS - 2023

The AIJA Annual Congress will bring together participants from all round the world, representing every continent to foster their development around fundamental AIJA values: learn, network and develop. In 2023, AIJA's 61st International Young Lawyers' Congress comes to Rio de Janeiro, where among breath-taking natural landscapes and the hidden secrets of this colourful city, we will gather with a purpose of **RE-THINKING THE LAW IN FOUR DIMENSIONS**, as one giant legal think-tank to predict challenges that clients will face and identify legal solutions to meet them.

The Annual Congress will be truly Commission-led. The Commissions are invited to anticipate legal issues that are likely to dominate or impact their specific practice area in the years to come, be it from an economic, financial, regulatory, humanitarian, environmental, or any other relevant perspective. In any event, an issue that is expected to have direct consequences for clients and their businesses.

At this congress full of interactive sessions, workshops and speeches everyone will be asked to harness their collective thinking power, to think in 4D and contribute their visionary legal insights to today's society.

Congress venue

We'll have the privilege of hosting our Congress in one of the most iconic hotels in the world – The Copacabana Palace, stage of countless movies, stories and songs.

A jewel crowning the golden sands of the Copacabana Beach, this glamorous landmark is among the best hotels in Rio de Janeiro.

Since its Art Deco doors opened in 1923, Belmond Copacabana Palace has played host to the world's rich, famous and stylish. The hotel's unrivalled position means it is centre stage for Rio's biggest events, including Carnival and New Year's Eve.

Across the street from the hotel lies the Copacabana Beach, the most famous beach in Brazil and natural habitat of poets, song writers, surfers, movies and TV celebrities. Participants will also enjoy a wide variety of social events and tours through (and potentially beyond) our beautiful city.

Social programme

The Organising Committee will make sure to introduce you to the Brazilian culture and traditions, as well as show you the best of Rio de Janeiro by taking you to its iconic landmarks during the social programme activities. Together, we will create memorable moments, build memories and establish new connections and long-lasting friendships.

BECOME A SPONSOR

As a sponsor of the Annual Congress, you have the opportunity to develop quality business relationships by having direct one-to-one engagement in a relaxed environment.

All the academic programme, coffee and lunch breaks, and the three-day exhibition happen in one place every day. And the congress continues long after the academic sessions have ended. A variety of social events, including a welcome reception, opening ceremony, day out, gala dinner, after-

parties, promise to bring the congress to the most exclusive and vibrant venues in Rio while providing a platform for networking with participants.

Here at AIJA, networking and building long-lasting connections is easy. Sponsoring the Annual Congress will be a perfect opportunity to highlight your organisation in the international legal sector and create a lasting bond with AIJA and its members for future ventures.

Unless otherwise expressly agreed elsewhere by AIJA ASBL, the sponsor will not

identify itself as a partner of AIJA ASBL or the Event, or as a Co-sponsor of the Event.

If the event is cancelled by AIJA, the sponsor will be offered to take part in the virtual version of the same event.
